

Perkins Local School District

Athletic Code of Conduct

The Perkins Local School District Board of Education has adopted the Athletic Code of Conduct for all interscholastic student-athletes. The entire athletic department is committed to enforcing the Code of Conduct. Student-athletes not only represent themselves and their team, they represent their parents/guardians, school, and community. Participation in athletic activities is a privilege extended to the student body by the Board of Education of the Perkins Local School District and participation may be revoked.

When a student in grades 7-12 voluntarily agrees to participate in interscholastic athletics he/she agrees to abide by the Perkins Local Schools Athletic Code of Conduct. This Code of Conduct will be subject to enforcement and/or disciplinary actions by the athletic department and administration on a 24/7/365 basis both at school and off school grounds. Any student who willfully performs an act, which materially interferes with or is detrimental to the orderly operation of a school's educational and co-curricular program, will be subject to athletic discipline, suspension, or expulsion. Applicable penalties will be applied whenever conduct is discovered. That is, Perkins High School administration reserves the right to fully investigate conduct, which potentially violates the Code whenever evidence is provided. Acts of unacceptable conduct shall include, but not be limited to those described below.

The following acts by a student on school premises (or in a reasonable proximity thereto), or off school premises at any school-sponsored activity will be sufficient cause for athletic discipline, suspension, or expulsion: disruptive conduct; disobedience of reasonable instructions of school authorities; refusal to identify oneself; unauthorized absence from turnout or game; cheating; immoral conduct; vulgarity and profanity; destruction or defacing property; extortion; intimidation; harassment (racial/ethnic/sexual/religious) of another student or employee; assault of another student or employee; verbal abuse or offensive behavior; gambling; stealing; possession or use of any dangerous weapons or objects; or the commission of any criminal act defined by law.

The following acts off school premises will constitute sufficient cause for athletic discipline, suspension or expulsion: use, sale or possession of tobacco (for the purpose of this policy, electronic cigarettes and vapes are considered tobacco); sale or possession of alcoholic beverages; use, sale or possession of drugs and/or related paraphernalia. Student-athletes are responsible for information contained in written or electronic transmissions (e.g., email) and any information posted on a public domain (e.g., internet, chat room, Facebook, You Tube, My Space, Twitter). Inappropriate or embarrassing information or pictures should not be posted in any public domain. Student-athletes are not precluded from participation in such online social network sites; however, student-athletes should be reminded that they serve as representatives of Perkins Local Schools. Any individual that is identified on a social networking site which depicts illegal or inappropriate behavior will be considered a violation and is subject to athletic discipline, suspension, or expulsion.

The Athletic Code of Conduct deals with specific violations that should be applied within every athletic program; however, this code is not intended to be all-inclusive. Because something is not explicitly mentioned in the code does not mean it's not prohibited. If no penalty is listed in the code for a violation, the head coach has the authority to determine the penalty (consistent with the philosophy of the code) with consultation of the Athletic Director.

1. DRUG, ALCOHOL, TOBACCO, POSSESSION, OR DISTRIBUTION VIOLATIONS

Upon evidence of an athletic code of conduct violation, the coach, principal, and the athletic director shall meet and determine the penalty according to the degree of infraction. The student's privilege of participation in athletic contests is immediately withdrawn. The athletic director and head coach will have an informal conference with individual about the violation. The student and his/her parents will be notified in writing of the violation and the subsequent action taken. Prior to reinstatement, the athlete, at the family's expense, must complete a drug/alcohol/tobacco assessment through a district approved agency and abide by any and all recommendations of said agency.

Individual Penalties For Violation

First Offense – The athlete will be suspended 40% of the contests (including OHSAA tournament competition) in his/her current season or the first scheduled sport in which the individual participates. Any fractions of games are rounded up to the nearest whole number. In cases where the suspension occurs near or at the end of a season, the balance (%) of the suspension will be applied to the next sport in which the athlete participates. Game suspensions not fulfilled during the school year in which the incident occurred are carried over into the following school year.

Second Offense – The athlete will be denied participation from all sports in the Perkins Local School District for one full year from the date of offense. Student must follow all recommendations of assessing agency prior to reinstatement.

Third Offense – Permanent suspension from all athletics for the duration of high school career.

Additional Notes

- Incidents carry from season to season, and year to year.
- During periods of suspension, the athlete will not be permitted to attend team practices, turnouts, and games for 14 calendar days (2 weeks) from the start date of suspension. Practice and turnout suspensions do not carry from season to season, and year to year. A suspended athlete may **not** attend the Student-Athlete Awards Program. An athlete may not join a sport for the purpose of serving an athletic penalty, if he/she has not previously participated in that sport at Perkins High School. The athlete is expected to complete the season to qualify having served an athletic suspension.
- A student entering Perkins High School who is serving penalty from his/her previous school will serve the remainder of that penalty at Perkins High School, as soon as the school administration has knowledge of the discipline.
- Suspensions must be served at the highest level of competition for the athlete as determined by the Athletic Director. The athlete may not compete at any level until

the suspension is served. For example, a player who plays JV and Varsity must serve his/her suspensions at the varsity level before regaining eligibility.

- At the discretion of the coach, the suspended athlete may be required to participate in additional team conditioning or community service upon return.
- If a student has a Code violation after the season but prior to the Awards Banquet, that offending student will not be permitted to attend the Banquet. Any earned awards would be distributed through the head coach. Note: The season will be defined as the first OHSAA practice date until the final competitive event.

Reinstatement Process

In order for the suspended athlete to be reinstated the following must be completed:

- Letter of intent and purpose for reinstatement to the Athletic Director.
- Proof that an assessment has been completed by a school district approved agency.
- Meet with the Athletic Director for final reinstatement meeting.

Appeals Process

Perkins Local Schools makes every effort to work cooperatively with parents and team-associated students in the administration of the Athletic Code of Conduct. A student may appeal the accuracy of facts of his/her alleged violation to the Athletic Director. A written appeal shall be presented to the Athletic Director, in writing within three (3) school days of the suspension notice. This written appeal should request a hearing with the Athletic Director and Principal. The Principal will determine the appropriateness of the consequences rendered by the Athletic Director. A written notice of the Principal's decision shall be made to the student, parents/guardians and Athletic Director in three (3) school days following the appeal hearing. The athlete may not participate during the appeals process.

2. TEAM RULES AND PENALTIES

In addition to the aforementioned rules (Code of Conduct), individual coaches may set and publish team rules and penalties, which may be distributed in writing to athletes at the beginning of each season. These rules may include attendance at practices, curfew, dress, and general conduct of participation during practices, contests, trips, etc. Team rules must be written and approved by the Athletic Director before the activity begins. Team rules will be on file in the Athletic Office. Team rules are in effect when an athlete is in season and during any out of season athletic activity when an athlete is representing Perkins Local Schools.

Coaches may not suspend an athlete from a team for the season without the Athletic Director's approval. The coach may suspend an athlete from competition for the remainder of the day for violation of team rules and will report such incidents, in writing, to the Athletic Director on the next school day. If a coach wants to suspend an athlete beyond the remainder of the day, he/she must meet with the Athletic Director and provide in writing a detail of the team rule infractions. Decision to suspend an athlete for violation of team rules must be approved by the Athletic Director. The coach is responsible for contacting the parents to inform them of the violation of team rule.

3. REQUIREMENTS FOR PARTICIPATION

As an athlete, one is not eligible to participate until the following items have been completed (forms available in the athletic office).

1. Physical examination completed and on file for current year.
NOTE: A guardian/parent of student-athlete is obligated to notify the Athletic Department of any changes in health or fitness, following the physical examination. In some cases a medical release, signed by a doctor, may be required. A student may be denied participation based on certain health concerns.
2. Emergency Medical Authorization Form
3. Academic eligibility requirements are met
4. Signed Code of Conduct on file
5. Activity fee paid

4. AWARDS

Each season the dates, times, and format of the Student-Athlete Awards Program will be planned and announced by the Athletic Director and are subject to change. Attendance at the Student–Athlete Awards programs is expected. Awards are only issued to those athletes who complete their season in good standing. Athletes who are dropped from the team, or quit prior to the last contest, are not eligible for awards. Athletes who fail to return all school issued equipment or uniforms are ineligible for awards. Athletes will not receive a letter or any Perkins Athletic Department awards if they do not complete the season in good standing.

5. ACADEMIC ELIGIBILITY

Each athlete must satisfy scholastic eligibility requirements prior to participation. He/She must pass subjects that earn a minimum of five units of credit per year toward graduation during each nine-week grading period. Each athlete must earn a minimum 1.50 GPA on a four-point scale during the previous grading period. Failure to meet these requirements will result in the athlete being ineligible for the following grading period. Entering freshman athletes are eligible according to the OHSAA scholarship bylaw . Changes of eligibility will become effective on the start of the fifth school day after the end of the nine-weeks grading period.

6. SCHOOL ATTENDANCE POLICY

Student-athletes are required to be in attendance for the entire school day to participate in athletic contest scheduled for that day. Partial absences supported by a doctor’s excuse or legal commitment will be accepted. Other types of partial absences that will receive consideration will include, but not limited to: driver’s examinations and court appearances. The principal will determine the eligibility in cases involving partial absences and the nature of the activity. In order for a student to participate in practice or any other athletic turnout, he/she must have attended a minimum of 4 full class periods in that day. Any student who has outstanding extended school days is not permitted to participate in athletic activities until the assigned days are served. A student-athlete who is serving an In-School-Intervention or Out-of-School Suspension will miss all practice sessions, contests, and turnouts during the suspension period. Additional penalties may be enforced by the head coach as spelled out by team rules.

7. HAZING AND HARASSMENT

Hazing/harassment in any athletic/activity program or outside the program is unacceptable. Hazing is defined as “doing any act or coercing another, including the victim, to do any act of initiation into an organization that causes or creates a substantial risk of causing mental or physical harm. Student involvement in hazing/harassment may result in the student being suspended from athletic/activity contest/events or removed from team. It is the policy of the Perkins Athletic Department that hazing activities of any type is inconsistent with the educational process and shall be prohibited at all times. Subjecting someone to acts that are humiliating, indecent, painful, or unsafe will not be tolerated. Athletes who engage in any of the above mentioned behaviors will be subject to disciplinary procedures

8. TRAVEL

All athletes must travel to and from athletic contests when transportation is provided by the school district. Athletes will remain with the squad and under the supervision of a coach when attending away contests. All regular school bus rules will be followed regarding food, noise, seating, and care and respect for equipment and drivers

9. EQUIPMENT

All school issued equipment checked out by student-athlete is his/her responsibility. The student-athlete is expected to keep the equipment clean and to provide proper care of the equipment. Loss of any equipment is the athlete’s financial responsibility. Failure to return any issue equipment may result in the loss of awards and/or denial of future participation, as well as financial restitution.

10. ACTIVITY FEE

Each participating athlete is assessed a non-refundable activity fee approved by the Perkins Board of Education. The activity fee must be paid within 10 days from the start of official practice. Failure to pay the fee will result in denial of participation until the fee is paid or until a payment arrangement have been made with the Athletic Director.

11. SCHOOL CANCELLATIONS

If school is cancelled due to inclement weather of some other type of emergency, as for practices and games, the Athletic Director will make a determination after consultation with the Superintendent. If the conditions have improved to the point where it is felt practices could be held, then a determination will be made when the practices will be scheduled for that day. Because of the fact that school has been cancelled, a coach will not penalize an athlete if he/she can not attend the practice or if he/she is late to practice. Ultimately, it is the parent's’ decision whether or not they allow their child to attend practice on these days. These guidelines will be applied to varsity teams only. All lower level practices are cancelled for this day.

12. TEAM SELECTION

In accordance with our philosophy of athletics and the desire for maximum student participation in the athletic programs at Perkins High School, coaches are encouraged to keep as many team members as possible without compromising the integrity of their sport. Choosing the members of

teams is the sole responsibility of the coaches of those teams. The coach should give each candidate at least three practice sessions on three separate days for a tryout. After this time, if requested by the student-athlete, those not selected should be notified in person by the coaching staff of reasons he/she did not make the team, if so requested.

13. CONFLICTS IN EXTRA-CURRICULAR ACTIVITIES

The Athletic Department recognizes and encourages each student to participate in a broad range of extracurricular activities. Individuals who attempt to participate in too many extra-curricular activities, however, will at some point encounter a conflict with different activities. Students must realize that they have a responsibility to do everything they can to avoid conflicts. Perkins High School athletic team functions take precedence over the activities of outside athletic clubs or organizations. Dual sports consideration will follow the adopted Board of Education policy. If a student is removed or quits a squad after the first official contest, that student will not be eligible for participation in any organized offseason activities for their next school-sponsored sport until the first official OHSAA coaching date for that sport. For example, a football player quits after two games. That student will not be permitted to participate in basketball open gyms, lifting, or conditioning, until the basketball season officially starts according to the OHSAA. The coach of the next season should not have contact with that athlete until the first official OHSAA coaching date. If a student decides to quit a team, it is the responsibility of the student to inform the head coach personally of their decision. All equipment and uniforms must be returned promptly in order to be eligible for the next season.

14. RISK OF PARTICIPATION

Student athletes and their parents must realize that there is an inherent risk in participating in interscholastic athletic competition. All injuries are required to be reported to Head Coach/Trainer immediately.

PERKINS LOCAL SCHOOLS ATHLETIC CODE OF CONDUCT

****To be signed once per athlete - athletic participation after signing while attending Perkins High School indicates agreement to Code expectations throughout the STUDENT ATHLETE CAREER.****

The Athletic Code of Conduct must be signed by all students at the beginning of the student's high school career. The Code of Conduct is in effect for the entire high school career for all athletic activities. Because not every conceivable incident can be covered by any contract, when a unique incident arises/occurs the school administration reserves the right to determine appropriate consequences.

ACKNOWLEDGEMENT

By signing below, we certify that we have read, understand, and agree to abide by the Perkins High School Student Handbook and the Athletic Code of Conduct with attached Acknowledgements, Contents, and Procedures.

Student's Signature: _____ Date: _____
