

## Perkins Schools BoomSquad

The BoomSquad is a program involving and assisting retirees. Boom is for “Boomers” and Squad is for “Family.” Partnering with Serving Our Seniors the program emphasis is twofold. To bring timely information to retirees and to tap into the expertise of our students.

October saw approximately 80 guests attend BoomSquad/Serving Our Seniors programs. This November offerings will emphasize one to one learning opportunities for retirees wanting to more fully understand how to text with their smartphones. Each retiree will partner with a high school student for 45 minutes.

Using the same format, we will provide the opportunity to learn how to play chess for interested retirees as well.

Additionally, fifth grade teacher Mrs. Kris Dinovo is offering an opportunity for retirees and students to become pen pals. To learn more about this opportunity register for this session on November 27 at 11:15 AM.

If you are a retiree and interested in joining our Squad please register for a session by:
