

Are You Planning a Reunion?

Is your class planning a reunion this year? If so, let the Perkins Alumni and Friends Association help you. We can supply our latest alumni addresses. Planning committees are invited to meet at the Alumni Building in Sandusky to work on reunion plans. Your class may also schedule time during your reunion weekend to visit the Alumni Building and see the pictures, school history and other kinds of memorabilia on display. Contact us to make any of these arrangements.

If your class recently held a reunion, we would appreciate receiving a copy of your classmates' contact information so we can keep our alumni database updated. We also welcome any suggestions to pass on for future class reunion planners.
