

Dear Student,

Throughout the year, your school hosts events that celebrate achievements and school spirit. From football games to basketball pep rallies and from band competitions to commencement ceremonies, these live events can be shared on a Watchfire LED video display.

While we're proud of our displays, at Watchfire we know that the content you create is what excites your spectators. We believe that inspiring content and its creators, deserve a special spotlight. That's why we are supporting the **"Fired Up" Watchfire Scholarship**.

This scholarship is achievement-based and awarded to a graduating high school senior. The recipient will demonstrate excellence in the creation and use of content on a Watchfire sports display during a live event. We are looking for students who make a positive impact on school pride with their ability to "fire up" players, fans, students and the community. The quality of work submitted, and academic performance are also considered.

If you have any questions about the scholarship program or application process, please contact me at 800-637-2645.

Sincerely,
