The William D. Squires Educational Foundation has a huge surprise for your seniors! The award amount and number of **William D. Squires Scholarships** have both been increased. We are offering **20** scholarships and the award amount has been increased from \$4,000 per year to \$5,000. This scholarship is renewable for a potential value of \$20,000!

Our Foundation has been awarding college scholarships to high school students from the great state of Ohio since 2000. With the addition of the Class of 2020, we will have awarded over \$4,000,000.

The William D. Squires Scholarship is primarily a financial need-based undergraduate scholarship. The student's EFC from FAFSA must be less than 7,000 to apply.

All eligibility requirements are strict. This is not primarily an academic scholarship but a 3.2 minimum GPA is required. Candidates must already know their career goal and are highly motivated, but require financial assistance to pursue their dreams of a higher education.

Copies of the scholarship application with complete details are available from our website. The enclosed flyer is for you to help encourage potential candidates. Postmark deadline is April 5th.

If you would like to learn more about William and our family foundation, please visit our website.

Our family would like to thank you for your help in spreading the word about our scholarship program and for all that you do for your seniors.
